This year Minto is replacing the Club Competition with "Minto Club Day"! The goal is a day of fun and exciting events, open to all skaters currently registered at Minto. There are many opportunities for skaters to compete at invitational and qualifying competitions throughout the year, so this is a chance for Club members to share a day of skating with the focus on participation and fun! The emphasis is on team, with awards for all. Skaters will accumulate points from each event for their teams, with the team earning the most points winning the "Minto Club Day" trophy!
